

The following agreement is between the Seller (Summer's Haven Doodles) and the Buyer (Name of the buyer is represented in the signature below), hereafter referred to as "Purchaser" for the sale and purchase of one F1b Aussiedoodle.

The total amount paid for the dog is \$___ of which \$250 is a non-refundable deposit to hold your preferred dog.

The Seller transfers in fee all the responsibilities, privileges, and rights associated with owning a Summer's Haven Doodles F1b Aussiedoodle to the Buyer as of the date specified below. This represents the entire agreement between Seller and Buyer in an outright sale.

Use of the dog:

It's agreed between the Seller and Buyer that this canine is being purchased as a family companion or for tasks fitting to its breed such as a therapy dog, emotional support dog, search and rescue, herding, or performance events.

We agree that the dog is not purchased for resale, nor will it be used or trained for activities that are illegal or for which it is not suited by reason, temperament, or conformation. Specifically, it will not be used as a guard or attack dog, or fight other animals.

Health:

The Seller guarantees the dog to be in a healthy condition and is free from any illness, has received all necessary vaccinations, three vet checkups, dewormed, is microchipped and was stool tested on 2/19 and 2/27.

Further, the Breeder warrants that both the sire and dam's hips have been evaluated by the Orthopedic Foundation for Animals (OFA) in the US and received genetic testing through Embark.

The dog may be returned to the Seller for any reason within 72 hours after the purchase, provided that the dog has not been damaged in any way. The Buyer will then be entitled to a refund of the paid price, less the non-refundable deposit.

Ownership Responsibilities:

The Buyer agrees to keep the dog in a humane environment where the new owner would properly train and care for it. The Buyer agrees that if they have not attended puppy training classes in 10 years and/or are a first time dog owner they will attend local puppy training classes before the puppy is 6 months of age.

The dog will be properly registered and vaccinated against infectious diseases as recommended by a certified veterinarian. The Buyer agrees that the dog will get proper socialization and training.

Spay & Neutering:

The Buyer agrees to spay or neuter the puppy that is being sold by eight months and/or after its first heat (if female). The Buyer agrees that this puppy is being sold as a family companion, not for breeding purposes. The Buyer agrees

to email info@havendoods.com a copy of the veterinarian invoice indicating that the puppy was spayed/neutered by eight months or after its first heat (if female). If this puppy is bred and/or produces a litter(s) the Buyer is responsible to the Seller for breach of this contract and agrees to pay damages to the Seller. If the Seller sees i.e., social media, newspaper, website, marketplace, or any other selling platforms and/or hears that the Buyer is breeding and/or selling litter(s) of any monetary amount, the Seller will file a lawsuit against the Buyer for financial damages. Buyer agrees that if the ownership of this puppy is transferred by the Buyer that the Non-breeding Agreement contract remains in effect.

Right of Recovery/Placement:

If the Buyer won't be able to keep the dog or provide a suitable home as per this contract, the dog will be returned to the Breeder.

The Buyer agrees to notify the Seller if any problem or situational change arises and will not leave the dog in a shelter, sell, or be given away. The Seller has the ability to have the dog returned to them with no refund being issued to The Buyer. If the Seller finds out that the dog has been sold or given away without being informed by the Buyer, the Seller will take legal action, and the Buyer who signed this contract will be held responsible for all legal expenses incurred.
